

Journalism Application Packet

Okeechobee High School

Congratulations for selecting or being recommended for Journalism as a course for the upcoming school year. As a student of journalism you have the honor of working on two publications: *The Purple and Gold* and *The Brahman*.

This is a two-hour block. Please make sure you have room in your schedule for both hours. When requesting the course, you will need to look for Digital Design 1 (829510J) and Digital Design 2 (829520J).

You are artistic, talkative and/or involved, all the qualities we look for. So if you enjoy photographing, writing, designing and/or posting to social media we would like you to join.

Your commitment to learning and developing skills will include the following tasks: Interview / Write / Create / Edit / Report / Promote / Advertise / Market / Fundraise / Organize / Photograph / Sell / Call & Visit Businesses.

If you have any questions concerning the course, please stop by and see Mr. Pung in room 7-006. Schedule requests are due April 30. Please give the application to your counselor or Mr. Pung.
