Community service hours must be logged with a non-profit agency and/or with a school club outside of the school day. If you have a 6th hour day you may begin to log hours when your school day ends.

Examples:

Permissible community service: volunteering for a non-profit agency, participating in community service activities through a school club outside of the school day, volunteer coaching

Non-permissible community service: filing papers at a local for profit business, attending Sunday School or Youth Group, Blood Drives during the school day,

***Community service should be for the benefit of others. If your community service is questionable please see a Guidance Counselor for approval.
